Re: 2019-2020 Priority Re-enrollment

Dear Fortis Academy Families,

With you we give much thanks to God for an excellent first semester at Fortis Academy. This year we are intentionally focusing on our vision to develop Christian thinkers and communicators. The heart of our school has always been a deep devotion to Jesus Christ that emphasizes the mandate to make disciples of all nations. This mandate is not only about bringing people into theological orthodoxy, but about bringing all things under the rule of King Jesus so that all creation glorifies our Creator and Redeemer. One key to this is virtue formation, or in other words, reproducing the character and nature of Christ in our lives. Another key is to fully develop the image of God in us, specifically through high-quality academics that emphasize thinking and communicating. That is the heart of our school. We do this through the vehicle of a classical Christian University Model school. Some of our key emphases include:

- Developing college and life ready graduates.
- Teaching our children to think and communicate as Christians.
- Integrating a Christian worldview into every discipline.
- Professional development for teachers and co-teachers to implement our mission and vision.
- Developing a vibrant extracurricular school culture.
- Building an educational community that models our Christian faith.

We are looking forward to partnering together again next year to educate our children for the glory of God. I invite you to participate in our priority reenrollment.

Blessings in Christ,
